Patient Controlled Comfort

The patient wand gives control back to the patient so they can experience comfort throughout the entire treatment, adjusting to a custom position as the body calls for it.

Crafted for Cleaning

Elevate recliners feature a quick removable back that can come off for cleaning in seconds. Zero entrapment areas and a lift up seat allow fast sanitation on every shift.

Pick a Style that Fits Your Clinic

Available in three different styles, one is sure to fit into your design palette.

Modify with heat, USB chargers, choice of arm caps to make it truly your own.
